

## SOFTBALL PITCHING SCREEN SNAP-PIN FRAME

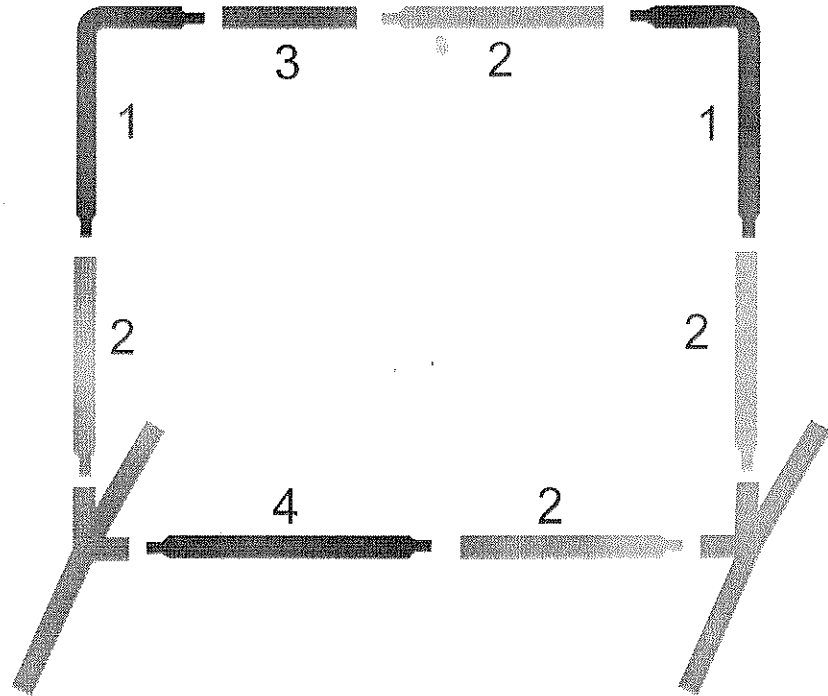

Constructs in about two minutes

Weighs just 35 lbs.  
Complete with carry bag

- 1) Construct Frame as shown, bolting all together.
- 2) Slide double-sided pillowcase net over frame. Net can be secured at bottom with zip-ties (not included) if desired.
- 3) Secure both sides of the pitching opening using the Velcro strips attached to the opening.

(No scale. The net fully fits the frame)

Inspect all nets, ropes, cables, frames, and connections before each use. Do not use if any component is damaged, worn, frayed, or otherwise compromised. Use of damaged, worn, frayed, or compromised equipment may result in serious injury, including death.
